UTM Grade A bison heifers in the desirable weight range were from \$2.45 lb/HHW to \$2.75 lb/HHW.

Slaughter cows and bulls prices continue strong with low supply and strong burger demand. Average price \$1.75 per pound HHW with sales to \$2.00 for younger finished animals.

Producers should research what parameters the prices are based on. Parameters such as Canadian or US delivery, weight ranges, age etc. This will assist them in comparing prices on an even basis.
