

## 2010 LILIANE KOT MEMORIAL SCHOLARSHIP AWARDED TO BROOKE KORTE

*In 2007 the Kot family and the bison industry lost a wonderful member, Liliane Kot. Liliane was as dedicated a producer as you could find. Regardless of the present conditions of the industry she always believed and saw a bright future. In 2009 the Kot family sought to honour their beloved Liliane and so began the Liliane Kot Memorial Scholarship. This year again the applicants were and are all of the highest order. Young men and women dedicated to the bison industry, studies, home, communities and their fellow man. This year's recipient is Brooke Korte. Brooke is working towards her certification as a combined X-Ray Lab Technician. Her parents, Kim and Cheryl Korte (Prairie Thunder Bison), have a cow calf operation in Muenster, SK. The Kot family thanks all the 2010 applicants and congratulates Brooke on receiving the scholarship. They also want to recognize the selection committee - Leon Brin, Lorne & Louise Miller, Mark Silzer and Terry Kremeniuk - for their time and support.*
