Prices may be adjusted for size and grade.

Prices for finished animals continue to show strength with prime bulls selling for up to \$5.25/lb HHW for the Canadian market and are at \$5.55/lb HHW Canadian going to the US market. Heifers are \$.10 to \$.25 cents lower. Adjustments must be made for export processing and transportation costs for those animals being shipped to the U.S. The strength in the finished bison market is being reflected in stronger prices for good feeder animals. Very good quality mixed calves sold for \$3.30/lb with prices ranging from \$2.50 - \$3.33/lb depending on quality.

Producers should research the parameters on which the prices are based. Parameters such as Canadian or US delivery, weight ranges, age, exchange rates etc. This will assist producers in comparing prices on an equivalent basis.
