\*\*Mature Bulls and Cows Over 30 months of age. Does not include cull cows and bulls.

Prices may be adjusted for size and grade.

Prices for finished animals have strengthened with prime bulls selling for up to \$5.10/lb HHW for the Canadian market and are at \$5.55/lb HHW Canadian going to the US market. Adjustments must be made for export processing and transportation. The strength in the finished bison market is being reflected in stronger prices for good feeder animals. Very good quality mixed calves sold for \$3.30/lb with prices ranging from \$2.50 - \$3.33/lb depending on quality.

Producers should research the parameters on which the prices are based. Parameters such as Canadian or US delivery, weight ranges, age, exchange rates etc. This will assist producers in comparing prices on an equivalent basis.
