**Mature Bulls and Cows Over 30 months of age. Does not include cull cows and bulls.

Prices may be adjusted for size and grade.

Prices for finished animals have strengthened with prime bulls selling for up to \$5.10/lb HHW for the Canadian market and are at \$5.55/lb HHW Canadian for the US market. Adjustments must be made for export processing and transportation. This strength in finished animals is being reflected in stronger steady prices for good quality calves. Good quality mixed calves have sold for \$2.50/lb Finished and feeder bison exports are above last years level for the first two months of 2024.

Producers should research the parameters on which the prices are based. Parameters such as Canadian or US delivery, weight ranges, age, exchange rates etc. This will assist producers in comparing prices on an equivalent basis.
