Canadian Bison Association

Weekly Price Summary for January 14, 2021

Bison Prices Steady

With the Canadian dollar fluctuations, the global uncertainty, and the turmoil created by COVID-19, please confirm prices offered by buyers as prices may change daily.

Prices offered by Canadian buyers for slaughter in Canada start at \$3.50/lb. HHW for Grade “A” bison bulls and heifers on very light trading. Canadian buyers are paying up to \$5.00/lb. HHW Canadian for prime bulls and up to \$4.80/lb. HHW Canadian for heifers for slaughter in the U.S. as slaughter spaces become available.

U.S. buyers are paying up to \$4.00 U.S. HHW for prime bulls from Canada for slaughter in the U.S. where slaughter times have been booked. Heifers are being purchased at up to \$3.80 /lb. HHW U.S. where slaughter times have been booked. Returns to the producers are dependent on exchange rates, quality, transportation, and export costs.

***Producers should research the parameters on which the prices are based. Parameters such as Canadian or US delivery, weight ranges, age etc. This will assist producers in comparing prices on an equivalent basis. ***
