*Good Quality or better.

**Mature Bulls and Cows Over 30 months of age. Does not include cull cows and bulls.

Prices may be adjusted for size and grade.

Prices for finished animals continue to show strength. Video and online auction sale activity has reflected higher prices for good quality feeder animals. Finished and feeder bison exports are above last years level for the first two months of 2024.

Producers should research the parameters on which the prices are based. Parameters such as Canadian or US delivery, weight ranges, age, exchange rates etc. This will assist producers in comparing prices on an equivalent basis.
