

Bison producers from across the Prairies gathered together for the annual Saskatchewan Bison Association Premium Stock Show & Sale March 4 & 5 in North Battleford, SK. Along with the S&S the SBA hosted an industry seminar and the SBA AGM. The day ended at Kramer's Big Bid Barn with a fun filled night. Along with a delicious bison chili supper(many thanks to Harold & Shirley Hubick for sponsoring the bison meat) the S&S awards were presented and attendees rocked along with the sounds of Johnny Cash. The SBA wishes to thank the Ministry of Agriculture for their generous support of the 2011 SBA industry seminars that were held throughout SK.

Optimism in the industry has moved forward to see some of the strongest interest in recent history. The industry's need for quality replacement animals was evident in the sale prices.

The SBA wishes to thank the sponsors, consignors, buyers and volunteers for all your support. The Kramer family and staff's dedicated professional service and facility is greatly appreciated.
