Market Commentary

Big Yearlings and Cows were in great demand, from both USA & Canadian Buyers.

We didn't get a chance to really test the calf market with any top cut big calves in this sale.

Big Calves are going to bring a major premium this year, compared to the light calves (<475lbs)

Get your calves Weaned, Vaccinated & on Feed! Get them in front of all the Buyers Big & Small.

Trying to avoid paying a little commission, leaves a TON of money on the table!

CALL ANY OF OUR REPS, and let us explain the benefits of Selling at Auction and True Price Discovery!

Remember: No matter who you sell to, Trucking and Shrink is ALWAYS calculated into the price!

Next Video Sales: January 16 & February 10 (Grande Prairie)
